

Powerful Coaching Questions

ProductOwner

3 good questions to the ProductOwner at a planning or grooming meeting

- If at the end of the sprint we deliver the most valuable result for our clients regarding user story XYZ, what would this result be?
- Why is this result important to the client?
- How will you know that we have delivered exactly what you have expected?

3 good questions to the Team at a retrospective

- What is the most valuable outcome that we as a team can create for ourselves within the next <60> minutes?
- How shall we know that we have achieved the desired outcome?
- If we could have all the resources we need to solve impediment XYZ, what would the perfect solution be?
